Ta Ya Electric Wire & Cable Co., Ltd.
Risk Appetite Statement

This Statement outlines the principles adopted by the Company for the assessment and implementation of its risk appetite.

The Company has clearly defined its risk appetite in the Detailed Implementation Rules for Risk Management and regularly submits it to the Audit and Risk Committee for approval in order to determine the level of risk that the Company is willing and able to accept.

In determining its acceptable risk limits, the Company shall conduct prudent assessments and take into consideration internal and external environmental factors, stakeholder expectations, applicable laws and regulations, as well as the Company's operational, strategic, investment, financial, and sustainability objectives.

The Company shall not invest in or participate in any business activities that exceed its risk appetite or conflict with its commitments to ESG principles.
